

MATERIEAL

Velvet border
Matching fabric
2 large buttons
Filling

Level: Easy

ROUND CUSHION

- 1 Cut 2 circles in a fabric matching your border,
(diameter according to the size of your border, remember your geometry lessons: length of your border divided by 3.14 = diameter of your fabric circle)
Remember to add 2 cm to the length of your border for seam allowance.

- 2 Make a mark at the quarters of the circles and the border to make it easier to fit together.
Stitch the velvet strip right sides together to make a circle.

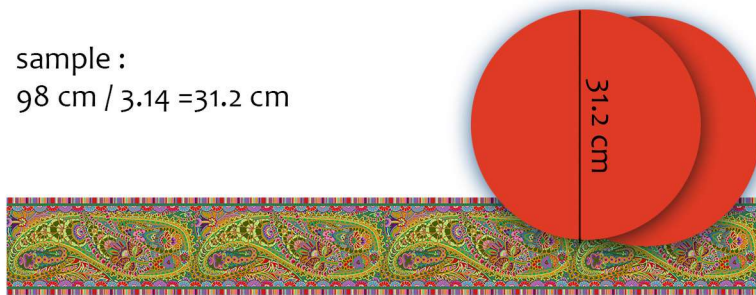

Stitch the strip to the first circle, right sides together, making sure the marks coincide.
Do the same with the second circle but leave a 10 cm opening to turn the cushion over.

- 3 Turn the cushion right sides out. Stuff with polyester fibre and close with a few discreet stitches.
Sew the buttons in the middle of the two sides, stitching from one side of the cushion to the other.

Tip: You can find buttons that are easy to cover at the haberdashery, so you can choose the same fabric as the cushion or a scrap with an interesting pattern.

sample :
 $98 \text{ cm} / 3.14 = 31.2 \text{ cm}$

100 cm (98cm +2 cm for seam allowance)
